

HAWAIIAN ELECTRIC IS DEPLOYING  
“ADVANCED” METERS (AKA “SMART” METERS)

# OPT-OUT NOW!\*

## EASY AS 1-2-3!

- 1) Call customer Service
- 2) Tell them you want to opt-out
- 3) Make sure they send you an email confirmation.

### OAHU

(808) 548-7311

### HILO

(808) 969-6999

### MAUI

(808) 871-9777

### KONA

(808) 329-3584

### MOLOKAI & LANAI

(877) 871-8461

### WAIMEA

(808) 885-4605

**There is no fee to opt-out.**

Nothing changes. You keep the electric meter you have and your rate does not change.

If you get a smart meter, you cannot go back! But if you opt-out you can choose later to get a smart meter (see below why not to do that).

If in the future Hawaiian Electric wants to increase rates or charge an opt-out fee, they have to get approval from the PUC and then you can decide to keep your meter or get a smart meter.

\*Many reasons not to get a smart meter:

- Smart meters increase electric bills
- Smart meters have caught fire
- Hundreds of thousands have had to be replaced
- Wireless radiation damages the environment
- Wireless towers/antennas/hubs reduce property values
- Wireless radiation is a health hazard
